We as a supplier has huge network which assures you with high quality of products. We have prepared a analysis based on the deep research of spice preferences. With hand-picked and directly procured from farmers, our products are making a way for extending our reach to every household. We guarantee excellent quality products with utmost trust.

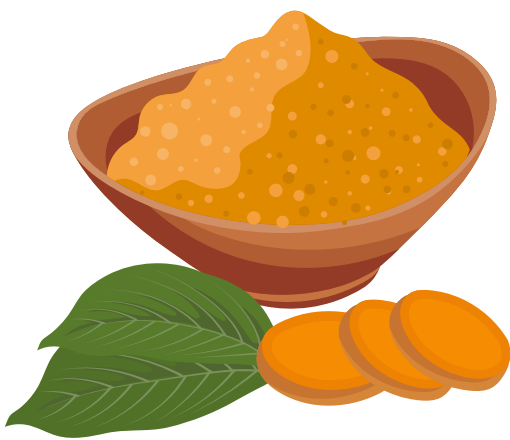

Turmeric finger

Our company is one of the most reliable Exporters of Turmeric Fingers from India. Our offered turmeric Finger is procured from the most trusted farms and is demanded widely for its highly nutritional content. These Fingers are utilized widely in adding flavor and color to dishes hence we make sure to take special consideration regarding the food safety standards that abide us to keep the aroma and taste intact

Turmeric powder

Epsilon Impex is one of the Exporters who could be trusted for its high-quality of turmeric powder from India. Turmeric comes from the root of *Curcuma longa*, a leafy plant in the ginger family. Turmeric is a necessary ingredient of curry powder. It is used extensively in indian dishes, including lentil and meat dishes, and Southeast Asian cooking. Also is used in place of saffron to provide color and flavor. Turmeric is mildly aromatic and has scents of orange or ginger. Its has a pungent, bitter flavor

Chilli Powder

We as Epsilon Impex are one of the most trusted supplier, and wholesaler of Red chilli powder. We have active participation in exporting red chilli powder to every corner of the world. Red chilli powder is a daily requirement in every household. “Red Chilli Powder” is produced from the best chillies across the globe and then processed in powder form. This red ground chillies are used to add spice, warmth and intense flavour to many indian curries and vegetables.

Chilli Flakes

We are one of the renowned Chilli Flakes suppliers from India, We offer our clients optimum quality Red Chilli Flakes which are processed using the best grade chilli and superior processing technology in adherence to the set food industry standards. Crushed chilli is grounded from the finest quality of dried whole de-stemmed chillies. It is traditionally used to help improve digestion. Crushed chillies contain the flesh and seeds of whole chillies without stems.

Cumin Powder

We are one of the trusted supplier partner of Cumin Powder in India as well as overseas market. Our product is highly demanded because of its strong aroma and medical advantages in India as well as other countries. Our Cumin Seed is produced without any harmful chemicals or pesticides, thus is highly safe for human consumption. It is preferred for its strong aroma. Cumin Powder is known for its medicinal advantages in India and many other Asian countries.
